- Integrated secure navigation flows and responsive layouts using modern front-end technologies to ensure reliability across all devices.

Business Landing Pages (Tinted Tint & Hungry Roadster)

- Designed and built custom, responsive landing pages leveraging React, HTML, CSS, JavaScript, and AI tools to rapidly prototype and deploy the front-end.
- Optimized the UI/UX to effectively communicate brand value, capture online leads, and maximize customer engagement.

PROFESSIONAL EXPERIENCE

Digital Content Creator & Channel Manager | HarshGupta_yt

2024 – Aug 2026

- Managed a faceless educational YouTube channel focused on comprehensive book summaries, successfully growing a dedicated online audience.
- Utilized AI tools for scriptwriting, image generation, and video creation, significantly reducing production time while enhancing visual quality.
- Applied advanced SEO strategies and persuasive storytelling to improve video discoverability and viewer retention.
- Fostered an engaging community by actively listening to audience feedback and handling comments to optimize future content.

Founder & Operations Manager | Tinted Tint & Hungry Roadster

Oct 2024 – Aug 2026

- Successfully launched, scaled, and managed two distinct consumer-facing ventures (a cosmetics brand and a fast-food logistics business) before strategically closing operations to pursue a long-term corporate career.
- Cultivated strong client relationships through consultative communication, personalized product recommendations, and professional objection handling, successfully converting inquiries into loyal repeat business.
- Developed Standard Operating Procedures (SOPs) and interactive tracking dashboards (using Notion and spreadsheet tools) to monitor daily productivity, inventory, and sales metrics.
- Managed end-to-end e-commerce supply chains across major platforms (Amazon, Flipkart) and handled vendor negotiations.

ADDITIONAL ACHIEVEMENTS

Independent Author & Publisher | Amazon Kindle Direct Publishing

Jan 2025
